Wichita Falls Texas Business Women

March 2010

Imagine More With The President

This month our club has a lot of planning to do. If you have not heard, there is a planning meeting in Granbury on March 27th. This event is scheduled for Saturday beginning at 9:00am at the Langdon Center. If you would like to attend, please let me know. I really encourage you to attend; these meetings are a lot of fun and a great way to share ideas. After that, on April 23rd our club will hold its 5th Annual Trivia Night to benefit the scholarship fund. This is always a fun time, so please plan on attending.

I received an email from Beth Johnson, TBW State President, and the Governor's office has declared the week of March 21-27th, Texas Business Women's Week. Due to this we are going to do our social networking on March 25th at the BCI's Business After Hours at the Holiday Inn at the Falls and Spotlight on Women Owned Business from 5pm to 7pm.

As you know, we are rapidly approaching the end of our fiscal year. I encourage everyone to

consider serving as an officer or committee chair next year. The experience you gain from getting involved in this organization is priceless and the friendships you make will last a lifetime. After all, TBW is all about women helping women!

Until next time...

March 2010 is National Women’s History Month!

The overarching theme for March 2010 is “Writing Women Back into History In 2010”. In celebration of our 30th Anniversary, we are also highlighting themes from previous years. Each of these past themes recognizes a different aspect of women’s achievements, from ecology to art, and from sports to politics.

Read more about this on the National Women’s History Page:

March Program Meeting

by Edwina Wight, President Elect/Issues Management

Everyone come and bring your business cards - we are going to network. It will also be a GREAT time to visit with friends and guests. Look forward to seeing you there!

April Program Meeting

by Edwina Wight, President Elect/Issues Management

In 1992, Hermine Tobolosky was the guest speaker of Wichita Falls BPW. She was a great supporter of women's rights, and in her talk she tells about how the ERA (Equal Rights Amendment) came to be and what it was like for women in the 1950's, 1960's and 1970's. She reminds the group just how important it is to vote. Paula Elmore taped her - and I had it made into a DVD. So, come and be prepared to hear about our history.

A Look Back

by Edwina Wight, President Elect/Issues Management

At our February meeting, Sherry Williams from Hospice was our guest speaker. Sherry is a Hospice Nurse, and is truly in love with her job. She shared information about the program's Hospice offers:

Camp Grin Again for Pre-K - 8th grades, Building Bridges for Grieving Children, Teens and Their Families, The Watchman Program - program partnering with churches, Pathways - a community outreach. And she spoke about volunteering which includes visiting and listening to patient's concerns, providing brief periods of rest for caregiver, Office and Clerical support, Special events support.

They are also grateful for many items including offices supplies and blankets.

We thank Sherry very much for her great love of humanity and sharing that love with us.
